#20021 - Budget friendly key chain / ring / holder and key accessories for auto, car, house or automotive dea

Best selling soft vinyl key tags are eye catching, mobile branding tools for on-the-go exposure, triggering thousands of ad impressions that help businesses retain, acquire and educate customers and they're easy and economic to package and distribute or mail. Made in USA product is compliant with all federal and state product safety regulations.

Print Method: Durable, non-permanent imprint in digital, 4-color process. Exact PMS colors not possible, Quikey will simulate as close as possible.

Product Material: Durable, soft and flexible **Sof-Color™ Economy** vinyl. White vinyl product color only.

ALSO: key fob, key ring, bendable, pliable, comfortable, auto, truck, equipment, tractor, atv, motorcycle, car, insurance, CPSIA, U.S.A., plastic, rubber, translucent, transparent.

NOTE: Satin finish imprint appears different than Quikey's **Sof-Touch™ Original** high gloss imprint. Border imprinting is limited to one-side only for all Sof-Color™ Economy key tags. Contact factory if any questions.
